

INVITE AVRAM TO SPEAK

The SeedofAbraham.net

Avram Yehoshua is the senior elder and minister of The Seed of Abraham. He was born in Brooklyn, New York on 24 May 1951. He gave his life to Yeshua (Jesus) in October 1975 when he was 24 years old. The Lord Yeshua has gifted Avram in the areas of understanding and teaching the Scriptures, pastoring, evangelizing and writing (book and biblical articles). Avram pastored congregations of Jews and Gentiles in Tulsa, Oklahoma and Eilat, Israel for 16 years. He has taught more than 500 times in churches of all denominations, in the USA and in Israel, on the holiness of Jesus from an Old Testament perspective, and also, The Hebraic Perspective (from New Testament Scripture). Avram is a Spirit filled teacher and is available to bring messages, anywhere in the world, on those two biblical themes. He is also willing to debate any Christian minister about The Hebraic Perspective—the walking out of our faith in Yeshua through all the laws and rules of Moses that apply to us (e.g. the 7th day Sabbath, Feasts of Israel & Mosaic dietary laws), and also, any rabbi on Yeshua being the Messiah of Israel.

While a pastor in Tulsa, OK, Avram went Jewish door to Jewish door, witnessing to all the Jewish people in the Tulsa metropolitan area. God preparing him to live and witness to his Jewish people in Israel. Avram also sent out 36 Jewish Newsletters to all the Jewish people in Oklahoma, as well as to Jews in 40 other states and a few other countries. The Jewish Newsletters are 4 to 8 pages long and present an event or person from the Old Testament. Avram explains what it meant to ancient Israel and then reveals how Yeshua is in the midst of it. The Jewish Newsletters can be read on the website at The SeedofAbraham.net under ‘Jewish News.’

Avram is the author of *The Lifting of the Veil: Acts 15:20-21*. It’s the definitive book on how those two verses, 18 years *after* the resurrection, establish Mosaic Law for every Christian (cf. Mt. 22:35-40; Acts 21:20-24; 25:8; Romans 3:20, 31; 7:7, 12, 14; 1st John 2:6; Rev. 14:12). John Abernathy, minister, writes: A ground breaking, incredibly valuable work! Pete Rambo, minister, writes: “NO better treatment of Acts 15:20-21 on the planet than this book!” J. Woehrer says: “Very impressive!...extremely thorough, providing a biblically sound explanation of why the four rules by James in Acts were placed upon the Gentiles.” Yakov Snyder, minister, states: This “is one of the most important books you’ll ever read...Well written, well researched and an extremely in-depth analysis of the issue of Torah” (Mosaic Law).

Avram has also written a book about his witnessing in Israel, interspersed with his testimony, called **SAM the Rock Thrower**. Both books are free to read, to the glory of Messiah Yeshua:

2. **SAM the Rock Thrower** at <http://seedofabraham.net/Sam-the-Rock-Thrower.pdf>.

Avram and his wife Ruti lived in Israel for 16 years, witnessing daily to their Jewish people about Yeshua. In April 2013 they were arrested, imprisoned for 10 days and deported from Israel because of their faith in Messiah Yeshua. From April 2013 to the present, Yeshua has led Avram to minister in churches and home fellowships in 35 states throughout the USA with a number of messages, three of which are these:

1. **The Essence of Moses’ Holiness—A Unique Glimpse into the Heart of Jesus**. This teaching reveals why Moses was the closest man in the Old Testament to the character and power of the Lord Yeshua; what the highest form of biblical holiness is, and what the Holy Spirit wants to do with every Christian.
2. **The Feasts of Israel as Time Markers *After* the Resurrection**. A major indication that Mosaic Law hasn’t been done away with by the crucifixion, and that it’s still God’s holy Standard that he wants all Christians to walk out their faith in Messiah Yeshua through, is Luke and Paul’s use of the Feasts of Israel as *time markers* in the Book of Acts and First Corinthians. Time markers reveal *when* an event happened. This would have been meaningless to their Gentile audiences if the Feasts, which are in integral part of Mosaic Law, had been done away with at the crucifixion.
3. **Peter and the Pig**. Avram explains the biblical meaning of the 3 heavenly sheets of unclean animals in Peter’s vision of Acts 10, as well as 2 other proof texts the Church uses to justify its teaching that Christians can eat pig and shrimp, etc: <https://www.youtube.com/watch?v=ICSKVsmDmJ0&t=1675s>.
